COLLEGE PLACE VISION

College Place is a community of love and faith, training and nurturing disciples of Jesus Christ, equipping them with God's Word, and spreading His redeeming love to every soul in need.

WELCOME DR. WRIGHT CULPEPPER

This Sunday Dr. Wright Culpepper will be preaching in both the 8:45 and 11:00 a.m. worship services at College Place. Gayle and I will be out of town participating in a family reunion.

Wright is no stranger to our College Place family. He is the director for "FaithWorks" and is the Chaplain for the Hospital. It is through FaithWorks that our ministry with Angel Food began. Wright and his wife Ann have three children; Wright Jr., Bill, and Catherine Ann. They are grown now and Wright Jr. is married. It is amazing how children grow and it seems at such a faster rate.

Wright has played a key role in my ministry. Wright and I were in seminary together at Candler School of Theology at Emory University. When Wright was the pastor at a new church, Wesley at Frederica on St. Simons, he invited me to join the staff as minister with youth and program.

It was Wright who provided a place for ministry that brought Gayle and I back to the South Georgia Conference from Houston, Texas. It was Wright who gave me opportunities to serve Wesley at Frederica in a way that prepared me for ministry with you today.

Wright has a unique calling. He has a burden to connect the local church with the community around us. He also has a burden to put together resources from around the community for those who find themselves in need. In light of this calling, FaithWorks will be sponsoring a breakfast featuring author, Ron Hall, Friday, August 21, 7:30 a.m. at Epworth by the Sea. Call the church office to make your reservations.

I pray you will give Wright your full attention as he leads you in worship this Sunday.

Bring a friend.

THANK YOU

**Serving & Loving Others Is What
It's All About!**

I wish I knew a good way to express my feelings at this time in my life. Al's life and death has taught me so much. He was a quiet man but so many people have been inspired by his life. There are no words to explain what has happened. I wish you could read the cards and letters I have received from you my church friends and from others. Hundreds of you have been so kind and have blessed me with your love. Thank you for all the memorials to College Place, Methodist Home for Children and Youth, Map International, UMW, Hospice and for the Gideon bibles, food, flowers, gifts, cards, phone calls, hugs, conversations and "what can I do for you?" Thanks to you that came to the visitation and to the funeral, to my children and grandchildren, to Hospice, and Edo Miller for a perfect funeral experience. I have been blessed so much and I want to say thanks to everyone and my blessings to you always.

You are dear to me!

Hey College Place,

I am thankful for the opportunity to share in this week's news letter a little bit about myself and who God is to me. I am blessed to have been married to my wife Rachael for eight years and we have two daughters, Kendall who is 4 and Jordan who is 2. I am originally from Alpharetta, GA and was lucky enough to see it as the small town four previous generations of my family had enjoyed before it grew into what it is today. After graduating from high school, I decided to give that college thing a try in Savannah where I met a man by the name of Rob Grotheer and his bride Gayle. During my time living in Savannah I led worship for the Savannah College of Art and Design Wesley Foundation (did not attend there, but I can draw stick figures!) and interned at Isle of Hope UMC with the youth. During that time I became certain of a couple of things:

1. God really is who He says He is
2. I love working with young people
3. Rachael is definitely the cutest woman I'll ever meet

So what did I do? I stayed on for the year with Rob as an intern working with the middle high before marrying Rachael the following spring. Life was good. Life is good!

God is good! He continually brings us to places where we can experience Him if we choose to and He allows us to make that choice freely. I am amazed by His Grace and His ability to hold Himself back from forcing us to do what is best. As a loving Father He disciplines us and guides us to be sanctified through Jesus Christ!

I am enjoying getting to know the youth and parents here at College Place and look forward to hearing more about how our Great God has worked in your life too.

God Bless you today! - Jason Lee
