COLLEGE PLACE VISION

College Place is a community of love and faith, training and nurturing disciples of Jesus Christ, equipping them with God's Word, and spreading His redeeming love to every soul in need.

Letters from Dad

This Sunday, January 10, we will be introducing a ministry resource for men. It is a ministry opportunity for College Place and for the men of Brunswick. Greg Vaughn has touched an itch that exist in many lives. As men we need to communicate with our families. A short sentence fragment within a 24 hour time span may be the norm for some. I am in hopes that after hearing Greg each of us will step up to the needs within our families. Bring a friend to hear Greg Sunday morning. He will be sharing at 8:45 and 11:00 a.m. worship services. All men are needed to also be present at our **"Kick-Off Barbeque" SUNDAY at 6:00 p.m.** We will eat some great food and again hear from Greg regarding the story behind the ministry. Pray for this weekend. Pray for baby steps. Being here Sunday morning is the first step. The second step is for the men to hear Greg Sunday night. The final step is to consider participating in a four session group to learn how to write letters to your family. I will be facilitating the four once-a-month sessions. We will learn how to give a blessing. We will get writing tips on jogging the memory on past events and important moments. Join me in a wonderful journey. I guarantee the time you spend with "Letters from Dad" will be time well spent.

College Ministry - We had a great time during the Christmas break in the New Orleans area conducting home repair. In three and a half days our group worked on five different homes. We installed installation, removed Chinese drywall, removed installation, treated a home for mold, applied mud and tape to new drywall and met some great people. On Wednesday, Jan. 13, our group will be hosting the church supper. We will have chili and grilled cheese. This will be fund raiser to help pay for some of our mission trip cost. We will share pictures and have the team members share their own stories. Support this group as we celebrate their ministry in the St. Bernard Parish.

A SEASON OF BLESSING

These short-term groups will offer practical Biblical truths on leaving a Godly legacy, changing our family tree, and speaking life to those around us.

BLESSINGS FROM THE HEART

Come and hear about how you can embark on the most exciting legacy leaving journey of your life. Contact Delana Pilgrim (delana414@hotmail.com) or call the church office to sign-up.

Testimony:

When my wife and I started Financial Peace University we were in a desperate time with Julie's job ending and the job market less than thriving. It just came at the right time...**God's Time**. Once we started we realized quickly that this can change our life. Not only were we led to save and start paying stuff off and taking back control over our money, our Faith has grown stronger with the commonality and sharing in our class. The support we all have given each other has been incredible. Also, the class led Julie to a wonderful job that came about thru a fellow classmate. Had God not led FPU to our church so many of these things would not have been possible. It was **God's Time**.

In the 13 weeks of our FPU class, everyone had success stories. The class as a whole saved a total of \$17,172 and we all paid off (excluding mortgages) approximately \$37,175 in debt. That's in 13 weeks! Everyone in our class strives to be better savers, better planners, better prepared for the future and our kid's futures, and ready to give, help others that are less fortunate, and to bring Financial Peace to everyone we know.

So you see, it's not just about paying off debt or saving all of your money and not having any fun. It's about doing God's work. It's about changing your legacy for your kids, grandkids, and beyond. It's about PEACE.

-Bryan and Julie Feeney

FROM THE HEART

Church Council "From the Heart" Our Finance Committee will sit down in January to determine the estimate of giving card totals. With those estimates they will also calculate the funds that are expected from regular contributions and loose plate offerings. It is through this process that a budget for 2010 will be determined. If you have not yet responded by filling out an estimate of giving card, please do so soon. Each estimate will enable your church finance committee to make a more informed decision. Every gift counts.
