THANK YOU

A SPECIAL THANKS

It is with the warmest gratitude that the family of Evelyn Shupe Johnson gives thanks for the blessings bestowed by our church family. During our loss so many people extended their prayers, kind words, cards, love, hope and yes, delicious food. It is so heart warming that, through God's grace, we are a part of such a supportive congregation and received the tender affection you extended to each of us. It would be impossible to single out individuals who through their own compassion provided for us in so many ways. Praise be to our Father!

Now may God's mercy bring you peace today and His love through eternity.

CHILDREN

Dear Parents,

I am really looking forward to our time together this Sunday, immediately following the 11:00 service in the Conference Room. Sharing a meal, and ideas for ministry for our wonderful children here at CPUMC. Each of you has gifts to share to enhance our children's ministry. I want to help you learn what those gifts are, and guide you into putting them into service in your own unique place. Moms and Dads are encouraged to attend. There will be a WATER DAY on the playground for the kids. Bring a bathing suit, sunscreen and beach towel.

Love, Donna

Donna

HOW CAN WE HELP OUR CHURCH GROW?

The answer is simple: we can grow our church by being friendly. I think we are a friendly church. In our first visit here a year ago the thing that left the biggest impression on us was the friendliness of a particular church member. Friendliness sure goes a long way and we all have room to grow.

Group publishing conducted a survey asking 750 church and unchurched people "What's the most important factor that makes a place friendly?" These are the results in ranking order:

1. The number 1 quality of a friendly place is that it "makes me feel like I **belong**."
2. The **comfort** of a warm and inviting environment, both physical elements (i.e., comfortable seating and easy-to-follow signage) and inter-personal elements (i.e., remembering my name and avoiding church jargon).
3. Helping people feel **relaxed** by letting them know your church is a safe environment.
4. **Talk to me** by gradually going beyond small talk to deeper conversations.
5. The final ingredient of a friendly church is a genuine **smile**, especially from 'the front'.

Over the next several newsletters, I will expound on each factor listed above to help us grow our church by strengthening our 'friendly' muscle.
