COLLEGE PLACE VISION

College Place is a community of love and faith, training and nurturing disciples of Jesus Christ, equipping them with God's Word, and spreading His redeeming love to every soul in need.

It's time for a new directory!

This fall College Place will begin the process of creating a new pictorial directory. We have selected Olan Mills to support this effort. Our "Directory Task Force" includes: Joanne Fisher, Christine Pierce and Evelyn Roberson.

Begin now to prepare your family for this opportunity to have a new family photo made. This family photo can include others of your family that are not members of College Place. Individual portraits are also encouraged.

Every participating family will receive a free directory and a complimentary 8x10 portrait. Following your photo shoot a consultant will talk with you regarding the options if further prints are desired. You will come to the church only once. The photo and portrait viewing will take place at your appointed time.

This program will be at no cost to the church. While the 8x10 portrait you select is free, as well as a free directory, any cost to you will be in the ordering of additional portraits. There is also an added section to this directory. We are asking all military to contribute photos for special honor pages. These can be retired or active personnel.

We will begin scheduling dates for the photo shoots beginning August 2. Every Sunday in August a sign up table will be in our main hallway.

We will be offering five dates for College Place photos. The five photo shoots are scheduled for **September 14, 15 and October 20, 21 and 22**. The scheduled times are from 3:00 p.m. to 9:00 p.m.

Our last directory was printed in 2005. We have added some new faces since then and hope that you will want your picture in this ministry resource. If you have some great pictures reflecting the life of our church please submit them to our task force. Our timing is deliberate. The portraits of you and your family will be available for gifts this Christmas!

Join us in this vital effort to have an up-to-date record of our membership and photos that reflect the faith and vitality of this wonderful congregation.

ADULT DISCIPLESHIP

"People crave connection, not contracts." (Joseph Meyers)

We all have that yearning desire in our hearts to connect with someone; to know that we are not alone. I believe this is intricately woven into the fabric of our beings because God created us to be in relationship- with Him and others. And, it's within the context of a safe community of people that we experience life. We bring our vulnerabilities and weaknesses to light only to be loved and accepted within community. This powerful connection is the vehicle through which God reveals His love, purposes, and character to us. It's like reigniting a dead battery- the positive charge connected to the negative charge brings life back to the battery. Without relationships, we miss out on living the life God designed for us.

I am rejoicing that God has brought my family to live life in relationship with you here at College Place. You are rich in authentic community. You have already shown how open and loving you are, and I already feel connected to this family of believers. I pray in the coming weeks that I can extend my hand of connection and community to you, too. I genuinely desire to know you, grow with you, and serve alongside of you. My heart and door are open for you. Let's embrace authentic community together!
