COLLEGE PLACE VISION

College Place is a community of love and faith, training and nurturing disciples of Jesus Christ, equipping them with God's Word, and spreading His redeeming love to every soul in need.

"Exciting Days"

Re-appointed: As with every United Methodist minister, each are assigned to a church or charge annually. Gayle and I are excited about being re-appointed to College Place UMC. it is an honor to serve as your parsonage family. It is hard to believe a whole year has come and gone. Continue to keep us in your prayers. We have some great times ahead. This Sunday, June 20 will be Father's Day. We will look at our "tradition" and how that informs our ministry. I will also share some highlights from this past year as your Pastor. Don't forget to bring your change this Sunday for the CareNet fund raiser.

Coming Up: Summer Dress is now required. With the heat index reaching in the 100's please leave the coat, ties, and other constricting clothing behind. The choir is even going "robeless."

July 4 will be our "God and Country Sunday." We are in hopes of hearing from an active military personnel.

July 18 - "Youth Led Worship." Our students will be leading both of our services Sunday, July 18. Please be present to support their spiritual leadership on this special Sunday.

July 25 - Our worship service will take a closer look at being prepared. Many times losing a loved one can be terrible. While it cannot take away the pain, being prepared can help in the grief process. We will have a representative from Hospice share a short message with us in the worship. All adult Sunday School classes are invited to attend an assembly in the CLC to hear further info for Hospice regarding our being prepared.

August 1 and 8 will be "Camp Meeting Days." We will have more singing and special music by area gospel singers.

More than ever young people are seeking to encounter God. They want to experience the presence of God and know God on a personal level. This year's camp theme, "Close Encounters," will provide the space, time, and tools for children and youth to encounter the living God. Join us as we explore the biblical stories of those who have had authentic encounters with God and how their lives were forever changed by the experience. Through this year's camp theme we hope that children and youth will begin to notice how God is present with them in their daily lives.
