**Waycross District Conference**

Will take place Sunday, April 25, 4:00pm in Douglas, GA. Join us for some great worship and a chance to brag on College Place UMC's work with Angel Food. The church van will be leaving the parking lot by 2:00pm.

**COLLEGE PLACE VISION**

College Place is a community of love and faith, training and nurturing disciples of Jesus Christ, equipping them with God's Word, and spreading His redeeming love to every soul in need.

**UNITED METHODIST WOMEN SUNDAY**

Our United Methodist Women will be leading our worship service this Sunday, March 21. Gail Ashurst will coordinate this effort. We are grateful to have Rev. Marcia Cochran with us to preach at both worship services. Marcia has served throughout the South Georgia Conference since 1977. In the mid-1980's Marcia served on the Conference Council staff. While serving in that capacity she chose College Place for her place of worship. In 2007 Marcia was appointed as our Waycross District Superintendent. Marcia tends to "say it like it is." It is refreshing to have the Gospel spoken clearly. We will be blessed as Marcia and our women of College Place lead us this Sunday.

Don't Forget: Palm Sunday is March 28. Lenten Lunches Monday, March 29 to Friday, April 2. Easter Sunday is April 4

College Place UMC is celebrating United Methodist Women's Day. For more than a century, women in the Methodist and Evangelical United Brethren traditions have led a struggle for human rights and social justice. The generation of women who founded the early missionary societies developed powerful networks and organizational structures to help women attain full participation in the life of the church and society.

Through the years, women of the church have worked together under various titles including among others the Woman's Foreign Missionary Society, Woman's Home Missionary Society, Ladies Aid Societies, Wesleyan Service Guild, and Women's Society of Christian Service, before merging together in 1972 as one inclusive group under the name of United Methodist Women. In the early years of the women's mission organizations, the focus was on sending missionaries and helping to change the lives of women and girls in foreign lands. They incorporated the values of home and family into public life, as they addressed issues of poverty, child labor, immigration, migrant labor, family life, racial discrimination, full clergy rights for women, and many other social ills. Many of these same issues confront us today. Because of the faithfulness and courage of the millions of women who prayed, planned, organized, marched, petitioned, labored, and supported the work of the early missionary societies, the lives of countless individuals, especially women and children, have been irrevocably changed. Women, children and youth in our generation, and the ones that will follow us, are living the legacy of the women's missionary movement of the 19<sup>th</sup> century.

Make some fun, family time this season!

The Kairos 34 team at Ware State Prison served the cupcakes made by the College Place UMW baking team to our participating inmates after Friday lunch. We made sure to characterize the dessert as not only a delightful treat, but an expression of God's love for them, sent by way of your hands. So you were truly a part of the core message of the weekend, and we thank you for that.
