COLLEGE PLACE VISION

College Place is a community of love and faith, training and nurturing disciples of Jesus Christ, equipping them with God's Word, and spreading His redeeming love to every soul in need.

"Interfering"

Bill Hinson told of a conversation he had with another pastor. This pastor served a rural church with one afternoon service each month. Even with this once-a-month schedule the church gives the pastor a vacation in the summer and they also have stopped having a service in December. When Bill asked him about this strange schedule the pastor responded, "Since they have church on the fourth Sunday they decided it was too close to Christmas." Church was interfering with their Christmas. The same could be said of the Cross and Easter. The Cross can interfere with our celebrating Easter. We are eager to celebrate at the empty tomb but are hesitant to walk with Jesus on his road of sacrifice to Calvary. We are quick to turn to the part where the women run to tell the doubting disciples of the good news of Easter, but do not want to be pulled down by the absence of the disciples on the night Jesus was betrayed. We tend to skip the gruesome details of Jesus death and want to focus on new life found in Christ. The details of the scourging, the mockery and the so called trial are not on our must read list. We need to remember that no one will be forced to be nailed to a Cross. We must each decide our commitment to bear our own cross with Jesus. "If anyone would come after me, let them deny themselves, take up their Cross and follow me." Join us every Sunday as we continue to take a different look at the people and events leading us to the Cross.
