COLLEGE PLACE VISION

College Place is a community of love and faith, training and nurturing disciples of Jesus Christ, equipping them with God's Word, and spreading His redeeming love to every soul in need.

The Two Gifts

This Sunday we will be celebrating and remembering Pentecost. We will re-read the Acts account and will also view John's account. When we think of Pentecost we tend to focus on the gift of speaking in tongues as the major benefit of that first Pentecost. I'm of the opinion that we need to also appreciate the gift of hearing on that first Pentecost. While the Disciples proclaimed the gospel in languages that were foreign to them, those from around the world were in Jerusalem heard the gospel for the very first time. It was proclaimed in their own language, in their own native tongue. Having the ear to hear is a vital gift that is badly needed today. Hearing the Spirit's direction and then following that direction is a key part of a life of a disciple and in the life of God's church.
